1.1 **General License Grant.** Multiware grants to you as an individual, a personal, nonexclusive license to make and use copies of the Software for the purposes of designing, developing, and testing your software product(s), provided that you are the only individual using the Software.

If you are an entity, Multiware grants to you a personal, nonexclusive license to make and use copies of the Software, provided that for each individual using the Software within your organization, you have acquired a separate and valid license for each such individual.

1.2 **Documentation.** You may make and use an unlimited number of copies of any documentation, provided that such copies shall be used only for personal purposes and are not to be republished or distributed (either in hard copy or electronic form) beyond your premises.

1.3 **Storage/Network Use.** You may also store or install a copy of the Software on a storage device, such as a network server, used only to install or run the Software on computers used by a licensed end user in accordance with Section 1.1. A single license for the Software may not be shared or used concurrently by multiple end users.

2. **ADDITIONAL LICENSE RIGHTS -- REDISTRIBUTABLE CODE.** In addition to the rights granted in Section 1, certain portions of the Software, as described in this Section 2, are provided to you with additional license rights. These additional license rights are conditioned upon your compliance with the distribution requirements and license restrictions described in Section 3.

2.1 **Sample Code.** Multiware grants you the right to: (a) use and modify the source code version of those portions of the Software identified as “Samples” in REDIST.TXT or elsewhere in the Software (“Sample Code”) for the sole purposes of designing, developing, and testing your software product(s), and (b) a limited, nonexclusive, royalty-free right to reproduce and distribute the Sample Code, along with any modifications thereof, in object and/or source code form. For applicable redistribution requirements for Sample Code, see Section 3 below.

2.2 **Redistributable Code.** Multiware grants you a nonexclusive, royalty-free right to reproduce and distribute the object code form of any portion of the Software listed in REDIST.TXT (“Redistributable Code”). For general redistribution requirements for Redistributable Code, see Section 3, below.

3. **DISTRIBUTION REQUIREMENTS AND OTHER LICENSE RIGHTS AND LIMITATIONS.** If you choose to exercise your rights under Section 2, any redistribution by you is subject to your compliance with Section 3.

3.1 **General Distribution Requirements.**

(a) If you choose to redistribute Sample Code, or Redistributable Code (collectively, the “Redistributables”) as described in Section 2, you agree: (i) except as otherwise noted in Section 2.1 (Sample Code), to distribute the Redistributables only in object code form and in conjunction with and as a part of a software application product developed by you that adds significant and primary functionality to the Redistributables (“Licensee Software”); (ii) that the Redistributables only operate in conjunction with Microsoft Windows platforms; (iii) that if the Licensee Software is distributed beyond Licensee’s premises or externally from Licensee’s organization, to distribute the Licensee Software containing the Redistributables pursuant to an end-user license agreement (which may be “break-the-seal”, “click-wrap”, or signed), with terms no less protective than those contained in this EULA; (iv) not to use Multiware’s name, logo, or trademarks to market the Licensee Software; (v) to display your own valid copyright notice which shall be sufficient to protect Multiware’s copyright in the Software; (vi) not to remove or obscure any copyright, trademark, or patent notices that appear on the Software as delivered to you; (vii) to indemnify, hold harmless, and defend Multiware from and against any claims or lawsuits, including

attorney's fees, that arise or result from the use or distribution of the Licensee Software; **(viii)** to otherwise comply with the terms of this EULA; and **(ix)** that Multiware reserves all rights not expressly granted.

You also agree not to permit further distribution of the Redistributables by your end users *except* you may permit further redistribution of the Redistributables by your distributors to your end-user customers if your distributors only distribute the Redistributables in conjunction with, and as part of, the Licensee Software, you comply with all other terms of this EULA, and your distributors comply with all restrictions of this EULA that are applicable to you.

(b) If you use the Redistributables, then in addition to your compliance with the applicable distribution requirements described for the Redistributables, the following also applies. Your license rights to the Redistributables are conditioned upon your not (i) creating derivative works of the Redistributables in any manner that would cause the Redistributables in whole or in part to become subject to any of the terms of an Excluded License; or (ii) distributing the Redistributables (or derivative works thereof) in any manner that would cause the Redistributables to become subject to any of the terms of an Excluded License. An "Excluded License" is any license that requires as a condition of use, modification, and/or distribution of software subject to the Excluded License, that such software or other software combined and/or distributed with such software be (x) disclosed or distributed in source code form; (y) licensed for the purpose of making derivative works; or (z) redistributable at no charge.
